

Tennessee Mental Health and Crisis Resources

A resource guide brought to you by The Jason Foundation, Inc. with the support of the State of Tennessee and the Tennessee Department of Mental Health and Substance Abuse Services.

INTRODUCTION

This informational packet includes Tennessee resources specializing in mental health or crisis situations. It is our intention to educate communities about the resources that are available to them. The organizations are listed by county in alphabetical order. Information contained within may have changed since this publication.

The Jason Foundation, Inc. conducted this project with the State of Tennessee and the Tennessee Department of Mental Health and Substance Abuse Services.

The resources listed are for informational purposes only. The Jason Foundation does not endorse, recommend, or vouch for the quality of services provided by the agencies in this packet. Please use caution when choosing the provider and services that best meet your individual needs, costs, and standards.
